

NEW TRUSTEE ELECTED UNOPPOSED

Teresa PETTY

MA(Ed), GCert(Ed), BA(Psych)

Kia ora tātou,

Ko āu te mokopuna a Pita Hone Pita Kino (Peter Davies). Ko Carole Davies tāku māmā. Ko Ngāwai rātou ko Ariana, ko Samara āku tamāhine. Ko Manaia, rātou ko Kaya, ko Maihi āku mokopuna. Nō Motairehe āhau.

I moved back home to Aotearoa in November 2023, after spending 14 years abroad working and living on the land of Te Whenua a Moemoea (Australia). Employment, whilst offshore, consisted mainly of working in vocational and tertiary educational spaces - predominately in governance and compliance. Previous to leaving Aotearoa in 2009, I worked for the Ministry of Justice (multi-jurisdiction).

During my time abroad, I completed, through Massey University - Aotearoa, a bachelor degree, a graduate certificate in education, and a master's degree with an endorsement in education. I am an advocate for education, up-skilling, and creating new opportunities. I came home to be of service to our people. My skills and knowledge are at your disposal. The rest of my life, living on Aotea, is firmly committed to our people; to create and contribute towards carving new pathways for the collective good of our people.

**Introducing Teresa Petty, elected unopposed
as the new trustee for the 'on-island' seat.**
